Crafts will be sold for personal profit, while proceeds from the Bake Sale will be given to the Red Cross, who will use the money to distribute Christmas gifts locally to those less fortunate than ourselves.

WALL OF FAME

Lake Huron Woods is a fantastic place to live, & for that we have our fantastic residents to thank! Our residents can be seen going the extra mile to help their neighbors, whether that means volunteering their assistance at activities, welcoming new residents into our community or simply holding a door open for someone else.

These simple acts of kindness do not go unnoticed. Starting this month we are going to celebrate those responsible on our brand new Wall of Fame.

Each month, the lake Huron Woods staff will choose an especially kind resident to honor. A frame photo of him or her will be placed on the wall outside of the activity room.

Our very first honoree to be placed on the Wall of Fame is the wonderfully gracious Jean Solonika. Jean is often the first to welcome new residents by eating dinner with them, sharing conversation & laughs like old friends. Jean sees the good in everyone she meets. She gives every person she interacts with equal respect, regardless of how “different” they are perceived to be.

Jean is a lovely example of The Golden Rule in action,
& is sincerely appreciated for it.
