

Don't miss the Presidents/Residents day Birthday Party! February 21, 2012, Lockwood of Burton will have a guest story teller Kennard VanCamp, who will tell us a story about George Washington! The program is called "My Friend George". The story line will be about the life of George Washington, from the prospective of his best friend! We are so excited about this special performance, by Kennard, it will be performed in our Lobby, at 3:30 in the afternoon. Please be sure to mark your day, as this will be a day to remember!
